Dear Parents,

The year is quickly drawing to an end, and I want to thank you for your generosity and support for the fifth grade. Many of you have labored long and hard this year, and I am truly grateful.

I believe the 5<sup>th</sup> graders are ready to start the journey through middle school. I suppose the question is, are you? Remember that you are the primary educator of your child. What examples you set will help him/her in making wise choices.

Looking back, we have accomplished much. Of course, one of the great highlights was the evening performance of *Twelfth Night*. Many may think the play is the thing, but I believe the process is the thing, but I believe the process is truly the important thing. These students worked very hard and learned that they can accomplish most anything they set out to do, if they set their minds to it and work hard.

Thank you again for all the support and care given to the fifth graders and me this year.

Peace in Christ,

Mrs. Albert
