

First Grade News

May 24th - May 28th

Dear Parents-

This week in:

Reading- We are reading *Lazy Lion* from Theme 7. We are learning new vocabulary, working on comprehension through sequencing the events in the story, and decoding the sounds of i-e, i, and y as a vowel spelling patterns. The reading groups are up and running! Everyone is doing a great job of reading their story, completing their "job", and discussing with their group.

Math- We are learning how to identify groups of coins that are equivalent to the value of a dollar. As the students learn about the value of a dollar, they will continue to "count on" and practice identifying the value of different coins. The students will be introduced to the second half of the chapter, *Time*. We will begin with learning to tell time by the hour hand.

Science- This week we observed our Brassica plants grow! The students are very excited about the quick growth of their plants. The students are working hard to record their observations in written form along with a drawing of the plant as it grows.

Important Dates

May 28th - No School!! Don't forget, Friday, May 28th is a Teacher In-Service day and there will be no school.

May 31st - Memorial Day. No School.

June 4th - All school mass on Friday, June 4th.

Have a fabulous day!

-Mrs. Graver & Ms. Erdman
