

## St. Michael Summer Reading

You must read at least three books over the summer - one in June, one in July, and one in August. You may read your own choice of book or any book from any grade list. The book lists are on the St. Mikes website. All books from the list are award winners and are guaranteed to make you a better reader. Please write down the start and finish date of your reading, the title and author, the pages, and your parent's initials confirming that you've finished the book.

Reading over the summer is shown by research to help you both keep your current reading level and improve to a new higher reading level. This completed record is your first grade of the school year.

Reading start date	Reading stop date	Name of Book	Author	Pages in book	Parent Initials

### Summer Reading Rubric

20 points: read one book a month, pass AR tests the first week of school, turn in this record the first week. Of school
