Additional Uniform Guidelines

Elementary students (Pre K-5) may choose from the various uniform options as outlined on the chart for the 2017-2018 school year. However, we will be transitioning to blue polos and khaki or plaid bottoms in the 2018-2019 school year. To help with this transition, Pre K-5th grade students are invited to wear khaki (pants, shorts, skirts, or skorts) or plaid (jumpers, skirts, or skorts) bottoms with navy blue polos this year. This year is a transition year where the standardization of the uniform will be encouraged for the elementary grades, and this will become school policy for the 2018-2019 school year. **To be clear, elementary students will not be out of uniform if they wear navy blue bottoms, green polos, or white polos during the 2017-2018 school year.**

The **Middle School students** piloted this new, more standardized uniform program during the 2016-2017 school year. Blue polos with khaki bottoms are the Middle School uniform starting in this 2017-2018 school year.

Please Note: Scouts may wear their Scouting attire on meeting days, and on game days St. Michael sports jerseys may be worn over polo shirts.
