Dear St. Michael Families,

Welcome to St. Michael Parish School; we are glad to have you within our “Family of Families.” In choosing St. Michael Parish School, you demonstrate a commitment to the values and philosophy of a Catholic education.

The Parent/Student Handbook reflects the policies and procedures of St. Michael Parish School. These policies and procedures enable us to fulfill our mission of providing a high quality, faith-based education for your children. Please read this document carefully. As a member of the school community, you affirm that you intend to abide by the policies our school.

Periodically, a handbook section may undergo an update. If updates or revisions are made to this document, you will receive email notice.

This handbook will be used in conjunction with the St. Michael Parish School Back to School Plan, which outlines our COVID-19 protocols and how we are maintaining a safe environment during the pandemic.

The faculty and staff of our school look forward to working with you to promote academic excellence and spiritual development in the context of the teachings of the Catholic Church.

Our prayer is that through the working of the Holy Spirit, we continue to fulfill God’s plan for St. Michael Parish School.

Many Blessings,

Connor Geraghty  
Principal

### **RIGHTS AND RESPONSIBILITIES**

As a Catholic educational community, we are challenged to treat others with respect and love as modeled by Jesus in the Gospels. In that vein, we outline rights and responsibilities for students, parents, and school staff so that together we may strive to meet that Gospel challenge in our daily lives.

Students have the right

- to be treated with respect by everyone.
- to learn in class.
- to be safe.
- to be heard when there are needs, concerns, or sides to be presented.

Students have the responsibility

### **ORGANIZATIONAL MANAGEMENT**

The oversight and responsibility for a parish school flow from the archbishop to the pastor. The pastor makes his decisions in close collaboration with the principal and school commission in accordance with the Revised Code of Canon Law (1981).

## 2021-2022 Family Handbook

A more complete description of parish governance can be found in the document *Many Gifts; One Spirit*, which is available online at [www.Seattlearchdiocese.org](http://www.Seattlearchdiocese.org) and the *St. Michael Parish Stewardship Handbook for Pastoral Leaders* which is available through the school or parish office.

### RELIGIOUS EDUCATION

Faith is a life-long journey. The Apostolate of the Laity reminds us that parents are the primary educators, “the first to communicate the faith to their children and to educate them.” Working with you, we will guide your children at St. Michael Parish School toward:

- developing a lifelong commitment to spiritual growth.
- deepening an awareness and understanding of the traditions and teachings of the Catholic Church.
- developing a firm, personal Catholic belief.
- being receptive to healthy change in the Catholic Church.
- developing skills and attitudes needed for Catholic leadership.
- developing an understanding of discipleship as one who serves others (ministry).
- responding to their faith to share their faith with others (evangelization).

Students receive daily religious instruction. Archdiocesan approved texts and curriculum are supplemented by a wide variety of materials. St. Michael Parish School also provides many other faith formation activities. Among them are:

While instruction is provided about each of the sacraments as part of the religion curriculum, direct sacramental preparation (First Reconciliation and First Eucharist) is provided by the parish and is not a formal part of the regular school religion curriculum. Dates, times, and locations of sacramental preparation classes are noted in *St. Mikes’ Matters: Thursday Notes* and the parish bulletin. Contact the parish’s Faith Formation Office at 754-4667 for further information.

### COMMUNICATIONS

#### Parental Concerns

The staff of St. Michael Parish School recognizes that parents have both a right and a responsibility to be aware at all times of the ongoing status of their children. If, at any time, a concern regarding an aspect of the school program arises, parents should use the following procedure:

**Step 1:** Talk directly with the staff person involved. Often, a simple misunderstanding can be resolved through open dialogue.

**Step 2:** Should the problem not be resolved satisfactorily, a meeting may be scheduled with the principal.

**Step 3:** Following this, a meeting may be scheduled with the pastor and all parties involved.

## 2021-2022 Family Handbook

### Confidentiality

At no time should situations involving students or personnel be discussed publicly or with anyone other than the individuals directly involved. Those working with children, both paid and volunteer, must respect the confidentiality of school situations and the privacy of children.

### Home/School Communication

We are committed to keeping our parents informed about school events and issues, both current and upcoming. To help with this, we have implemented a weekly communication envelope and regular emails. Examples of these communications are the following items:

**Thursday Notes: St. Mikes' Matters** - This weekly electronic school newsletter includes a list of upcoming school events along with other important information. Reading this is your best way of knowing what is or will be happening at St. Michael Parish School.

**Bulletins** - Periodically through the year, events occur which may need additional explanation or a reminder. In these cases, a special bulletin will be sent to you.

**Letters from the principal** - These address a variety of topics, including education in general, the Catholic faith, or St. Michael Parish School. Often these are included in *Thursday Notes: St. Mikes' Matters*.

#### **Classroom newsletters and field trip permission slips**

**Teacher notes/student work** - Sometimes having you sign a paper is helpful. At others, the teacher may send a special award or note. Many teachers send home a packet of completed work on Thursdays. In these cases, you become more aware of the quality of your child's work. This, in turn, encourages your child to continue doing good work or to find ways to improve. During the year, many such informal means of noting progress are sent home. Please take time to discuss them with your child.

**Tuition statements/stewardship forms/other school related billings** (such as overdue library books, lunch money owed, etc.) - These are sent home monthly or when generated, to keep you apprised of your current status.

**Scrip certificates, Scrip information, and order forms** - The sale of Scrip (gift certificates) funds a wide variety of activities and events at Saint Michael School.

**Alma**-Through your parent access, you can view your child's current graded assignments and assessments.

### PTSA Communication Policy

In order to promote consistent and respectful communication between the PTSA and school families, the following guidelines have been developed regarding written communications to families (including but not limited, to emails and *St. Mikes' Matters: Thursday Notes* notices):

#### 1. PTSA Communications Policy

(A) Any written communications generated by the class representatives to the families regarding PTSA sponsored activities, needs to be reviewed and approved by the PTSA Chairperson and the School Principal before dissemination. All emails to families must use the BCC (blind copy) field for family email addresses.

(B) PTSA will continue to ask class representatives to forward specific PTSA, School, and Parish information to class families as needed.

#### 2. Classroom Communications Policy

Any communications to the class families by the class reps at the teacher's request need to be reviewed and approved by the specific teacher before distribution. This applies to such things as requests for funds for class parties, and requests for volunteers for class activities and field trips.

#### 3. Other School Related Communications

The person or organization within the school requesting or distributing information to families, such as SMART, SCRIP, etc., needs to have the communication reviewed and approved by the school principal before distribution.

## 2021-2022 Family Handbook

Invitations to parties may be sent home in the weekly communications envelope ONLY when the entire class or all the boys or all the girls are invited. The school office or classroom teacher is not responsible for inserting invitations. Parents (not students) must do this after having made prior arrangements with the teacher.

Each Thursday (or at other times as needed), the youngest child in each family brings home a school envelope. We ask you to:

- Remove the contents of the envelope
- Review the contents with your family
- Insert any written communications you'd like to return to school
- Return it to school with the same child the next school day or by Monday of the following week

If you would like an announcement to be included in the *St. Mikes' Matters: Thursday Notes*, please submit it to the school office no later than 3:15 on Tuesday of the week you would like it to be published. You may also e-mail the announcement to the school office. All announcements and flyers must be approved by the principal prior to being published or sent home.

Staff at St. Michael Parish School can also be contacted via e-mail.  
Each staff member has an e-mail address made up of their first initial and last name  
For example: ssmith@stmikesolympia.org

### PARENT/VOLUNTEER INVOLVEMENT Stewardship Program

St. Michael Parish is a stewardship parish. The parish promotes stewardship as a way of life through the cultivation and sharing of gifts of time, talent, and treasure. As a ministry of St. Michael Parish, St. Michael Parish School is a stewardship school.

Our school stewardship program calls families to share their time, talent, and treasure with the school and church. As part of their commitment to school and church, St. Michael Parish School families are required to provide at least 30 hours of service to St. Michael Parish School and Church, with at least 15 of those hours given in direct support of St. Michael Church.

During this pandemic and when the school building is open to limited volunteering only, we are suspending this requirement for the stewardship of time and talent. However, we do encourage you to pursue stewardship opportunities in our school that will be announced in Thursday Notes and opportunities to serve in our church. During this time, we are inviting you to be as generous as possible with your time (prayer) and talent (service).

#### Examples of Stewardship Activities

Valid	Invalid
Supporting classroom teachers	Helping with a child's homework
Serving as a library assistant or hot lunch helper	Attending parent teacher conference
Serving on a SMART committee	Attending Open House
Chaperoning field trips/ driving on field trips	Coaching YMCA teams
Attending PTSA Meetings	Attending Mass on Sunday
Providing cookies for meetings	Attending sacramental preparation meetings
Serving as a Lector or Eucharistic Minister	Attending the SMART auction
Teaching religious education classes	

## **2021-2022 Family Handbook**

The person(s) providing the stewardship hours must be the parent(s)/guardians(s) of the student. Occasionally, and with the permission of the principal, grandparents or others may serve in ways that earn stewardship hours. Those who are unable to meet this 30-hour commitment will be assessed a fee of \$15.00 per hour up to \$450. Upon enrollment, a family may select either option or a combination of both. A form is provided at that time detailing the stewardship commitment and means of fulfilling the obligation.

Along with the possibilities already mentioned above, two additional and important ways in which parents can serve are:

### **1. School Commission**

The school commission is a consultative body. It meets monthly to provide guidance and support to the principal and pastor. School commission members work on long and short range planning, update the school's strategic plan, and serve on committees designed to support, further, or fund the mission of St. Michael Parish School.

The commission consists of nine members. The pastor and principal are ex-officio members, as are the parish council liaison and the parish finance council liaison. Membership on the school commission is by application, recommendation, and final approval of the pastor.

Visitors are welcome to attend school commission meetings as observers and may, when asked, provide input. Suggested agenda items must be submitted two weeks prior to the scheduled meeting.

### **2. Parent Teacher Service Association**

The Parent Teacher Service Organization is responsible for maintaining good communications between home and school, for providing ways with which parents can provide service to St. Michael Parish School, for offering parent education opportunities, for organizing community building opportunities, and for serving as a bridge between school and the parish at large. Each class has representatives who aid in spearheading activities for which that class is responsible that year. However, parents may volunteer for any activity in which they are interested, not just the activities their class is responsible for organizing.

## **Parent/Volunteer Eligibility Requirements**

All those planning to volunteer/earn stewardship hours by working with children at St. Michael Parish School must fulfill the following archdiocesan requirements and have them on record with both the school and church.

- attend the Safe Environment Ministry Training
- complete the Safe Environment Ministry Training annual update
- complete the in-depth background check process (valid for two years)
- if driving on field trips, have current, complete car insurance information on file (completed upon expiration) with a minimum of \$100,000/\$300,000 liability coverage per occurrence
- respect confidentiality

## **ADMISSION POLICIES**

### **Non-Discrimination Policy**

It is the policy of St. Michael Parish School to provide all students of any race, color, sex, handicap, national, or ethnic origin with all the rights, privileges, programs, and activities made available to students at the school. The school does not discriminate on the basis of race, color, sex, handicap, national, or ethnic origin in the administration of its educational policies, admission policies, scholarship programs, any program or activity funded by the U.S. Department of Agriculture,

- regularly participate in the life of the church by attending Sunday Mass, and
- have both a current Sacrificial Giving pledge card on file and maintain a ten month history of contributing through the Sunday offertory, and
- have a Time & Talent commitment form on file and are active in some ministry.

### Band Fee

## 2021-2022 Family Handbook

St. Michael Parish School offers beginning, intermediate, and advanced band. There is an additional annual fee for band. Once a family has signed a band contract, they are responsible for paying the entire year's band fee, whether or not their child(ren) continue playing in the band.

### Parenting Plan

According to archdiocesan policy, in the case of legally separated or divorced parents, a copy of a current parenting plan must be submitted to St. Michael Parish School to be included in their child(ren)'s files. Parents are responsible for informing St. Michael Parish School of any changes in the parenting plan and the issuance of court orders restricting parental or third party access to their child/ren.

### Age at Entry

To be eligible for enrollment in the St. Michael Pre-K, a child must have reached the age of four on or before August 31<sup>st</sup>. To be eligible for enrollment in the St. Michael Kindergarten, a child must have reached the age of five on or before August 31<sup>st</sup>. Entry to the other grades, one through eight, will be based on successful completion of the preceding grade(s).

### Transfer Students

Children transferring into St. Michael Parish School after kindergarten will be assigned grade placement according to the recommendation of St. Michael Parish School principal. Placement testing and consultation with the parents may be used to assist the school principal in making a grade placement decision. The principal of St. Michael Parish School makes the final decision in the placement of students entering St. Michael Parish School for the first time. Continued enrollment will be based on compatibility with the student's needs and the school's program.

### Class Size

Normally, class size is up to 14 for pre-k, up to 15 students in each kindergarten class and up to 30 students in grades 1-8. Exceptions may be made to allow up to 32 students in grades 1-8.

## ACADEMIC POLICIES

### Homework

Homework may be given for one or more of the following reasons:

- to stimulate initiative, independence, and self direction
- to develop an interest in reading and learning as worthwhile leisure time activities
- to broaden the background of experience provided by the school
- to give further practice and application to strengthen learning

The amount of time any individual child spends on completing assigned work will vary according to the ability and study habits of the child.

## 2021-2022 Family Handbook

Assignments are considered part of regular schoolwork, to be completed and turned in at the appointed time. Accordingly, students are expected to fulfill the homework requirements.

### Homework will normally be given within these time guidelines:

Kindergarten	weekly home project
Grades 1-2	15-30 minutes daily
Grades 3-5	30-60 minutes daily
Grades 6-8	60-90 minutes daily

### School Homework Policy for Grades 6-8

To allow some flexibility in the homework policy for those extraordinary times when homework is not completed by the due date, students in grades 6-8 receive four “grace slips” per trimester. An assignment completed within 24 hours and accompanied by a “grace slip” receives full credit. These coupons are the student’s responsibility and will not be replaced if lost or misplaced. Grace period coupons are *not* valid for use on in-class assignments or long-term assignments. (A definition of a long-term assignment is at the teacher’s discretion.) Assignments turned in late without a grace coupon receive half credit.

### Homework Policy During an Absence for All Grades

If a student has an excused absence due to illness or family emergency, he/she receives the number of days absent for make-up. If absence due to illness or family emergency exceeds 5 days, a student/parent should contact the teacher for a timeline for submitting missed work.

### Promotion/Retention

Students are promoted once each year at the end of the school year. Promotion to the next grade level is based on the student fulfilling the requirements of the current grade.

A student may be retained in his/her current grade placement for the succeeding school year if, in the judgment of the student’s teacher(s) and the principal, it would be the student’s educational advantage to remain at the current grade level. When there is a likelihood that a student may be retained, his/her parents will be advised of the situation in a timely manner. Once the parents are notified, the student is considered to be on academic probation. Whether the student will be promoted or retained at the end of the year will then be determined by his/her academic progress for the balance of the year.

Students who fail two or more courses may be retained. If a student is retained, he/she may not be able to continue at St. Michael Parish School due to factors such as lack of space in the upcoming class.

### Student Records

Student records are maintained in the school office for school use only. The records contain information that is pertinent to school personnel, including the registration form, the cumulative record card, copies of past report cards, testing data, and other such documents.

Parents have the right to view their child’s school file. Parents wishing to do so should contact the principal at least 24 hours in advance to set up an appointment. If a parent questions or disagrees with any item in the file, he/she is entitled to include a signed, written statement indicating the concern and the reason for including the concern.

**A student's records and report card may be held by  
St. Michael Parish School until all financial commitments incurred by, or on  
behalf of the student are satisfied.**

### Rights of Non-Custodial Parent

St. Michael Parish School recognizes that students do not always live with both parents. Therefore, it is our position that the non-custodial parent has identical rights and access to his/her child's school progress as the custodial parent. The only exception would be if a court order has been served upon the non-custodial parent prohibiting him/her from access to the child. In this case, a copy of the court order must be provided to the school, where it will be included in the child's file.

### ATTENDANCE POLICIES

All children between the ages of eight and eighteen are required by Washington state law to attend school (RCW 28A.225). The only absences or tardies recognized as excused are for illness, family emergency, or those others deemed as valid by the school principal. Parents are obligated to ensure that their children have regular attendance.

Please reference the school calendar and ensure that your children are present and on time for all standardized testing sessions. Standardized testing yields critical assessment data for each child and is a part of your child's permanent records forwarded to their high school.

#### Tardy Policy

It is vital that all students arrive to school on time. Late arriving students miss valuable instructional time and can cause a disruption to the learning of their classmates. Students entering the school building after 8:15 A.M. are considered tardy. Tardiness is unexcused. At the discretion of the principal, exceptions may be granted for medical appointments or severe family emergencies.

- When a student has three unexcused tardies in a given trimester, notification will be sent home to parents/guardians reminding them of the necessity of arriving to school on time.
- When a student has five unexcused tardies in a given trimester, a meeting will be scheduled with the principal to create a contract to prevent further tardiness. If a student then continues to be tardy, additional consequences will be put into place at the discretion of the principal.

#### Absence Policy

Absences from school will be excused for illness or injury of a student; for serious illness or death of a family member; or for medical appointments (with a note from the physician). All other absences will be unexcused. Illness that results in an absence of four or more consecutive days will require a note from the physician in order to excuse the absences.

- When a student has three or more unexcused absences in a given trimester, notification will be sent home to parents/guardians reminding them of the necessity of regular school attendance.
- When a student has five or more unexcused absences in a given trimester, a meeting will be scheduled with the principal to create a contract to prevent further absenteeism. If a student then continues to be absent, additional consequences will be put into place at the discretion of the principal. These consequences may include the loss of tuition assistance or not being invited to register for the following school year.

A student who is absent from school misses the essential instructional material, the valuable instructional time, and the rich discussions which all contribute to the learning process. Any "make-up" work cannot fully compensate for the quality of learning conducted inside the classroom. Therefore, absences may be reflected in the student grades due to the

## 2021-2022 Family Handbook

student missing the learning within the classroom. “Make-up” work is allowed for excused absences; acceptance of “make-up” work is at the discretion of the teacher for unexcused absences.

### Vacations

Vacations during scheduled school days are highly discouraged and are counted as unexcused absences. Students miss valuable learning experiences including core instructional content, group activities, the introduction of new concepts, and skill development that will be built upon in subsequent lessons. It is very difficult for students to catch up from missed instruction and class work, and it also places an additional burden on teachers. The principal must be informed in writing two weeks ahead of time if a student will miss any days of school due to a vacation during scheduled school days. If a family chooses to schedule a vacation during school days, it is the student’s responsibility to contact the teacher beforehand and it is the teacher’s decision whether or not to accept “make up” work.

### Daily Attendance Procedures

**As a courtesy, please call the school office or use the [tardy/absent link](#) on the school website prior to 8:30 A.M. if your child will be tardy/absent. If we are in virtual learning, also email your child’s teachers to notify them of the absence.** Additionally, email the office at [attendance@stmikesolympia.org](mailto:attendance@stmikesolympia.org) or submit a signed note to the office the day your child returns to school. In the case of students who have not arrived at school by 9:00 A.M., we will make a reasonable effort to contact the parents. In an effort to keep such calls at a minimum, we ask parents to take the responsibility to notify school. The tardy/absence will be unexcused if the school is not notified by 12:00 P.M.

### Daily School Routine

## 2021-2022 Family Handbook

### Arrival Tardiness

When a student arrives in the classroom after the morning bell has rung, he/she must check in the office to obtain an “entry to class” slip. Morning tardies, with the exception of doctor/dental appointments or severe family emergencies, may result in a referral to the principal and/or designees. Students arriving after 8:15 are considered tardy.

### Attendance and Grade Promotion

Attendance in class is an integral part of academic progress. Student interaction and participation give depth to written material and constitute the social character of their school experience. Also, to advance to the next grade level, students must show satisfactory classroom progress and must be in attendance to show this successful progress. Allowing for health emergencies and individual situations, unsatisfactory attendance may be interpreted to mean excessive tardies or absences.

#### Any student having excessive absences and/or tardies during a particular trimester or year may be subject to any or all of the following:

- being assigned a failing grade,
- being retained at the present grade level (placement contingent on availability),
- or being required to sign an attendance contract.

### Withdrawal

Notice of transfer to another school should be made to the St. Michael Parish School office two weeks in advance of moving to allow for transition of the student, the class, and the teacher. The students are expected to receive clearance (books and sports uniforms returned, tuition brought up to date, etc.) by all teachers, specialists, and coaches before the student’s records are eligible for transfer.

### Excusing Students During the School Day

Students are not allowed to leave the school grounds (except on scheduled field trips) before regular dismissal time without checking out first in the school office. If your child must leave school early, please come into the school office personally to sign out your child unless prior arrangements have been made with, and approved by, the school office. Students will not be released from the classroom without notification from the office.

## STUDENT PROGRESS REPORTING POLICIES

### Alma

St. Michael Parish School’s grading program, called Alma, has a parent portal. Parents are expected to monitor their child(ren)’s progress at school by checking Alma weekly. Each family receives log in information and passwords in September.

### Report Cards

Report cards are sent home with each child each trimester. Sign and return the report card envelope as soon as possible in order to facilitate home/school communication. The dates on which you can expect the report cards are noted on the school calendar and published in *St. Mikes’ Matters: Thursday Notes*. (Lost report cards, comment cards, and/or envelopes can be replaced for \$2.00 each.)

## 2021-2022 Family Handbook

### Conferences

Formal conferences are scheduled in the fall and again in the spring. School is not in session during fall and spring conference days.

In grades Kindergarten through Grade 5, slips with the assigned conference day and time are sent home at least one week prior to conferences. At that time, parents may call the school office to reschedule if there is a conflict.

Middle School conferences are held in the gym during conference times. Each of your child's teachers is available for an individual conference.

We encourage you to conference with your child's teacher(s) at other times during the school year aside from the formal conference time. The principal is also available for conferences when appropriate. To ensure availability and the attention you deserve please schedule all conferences ahead of time. (See also *Communication: Parental Concerns.*)

### DISCIPLINE POLICY

#### Philosophy

Central to the mission and goals of St. Michael Parish School is the maintenance of a learning environment that upholds the dignity of all individuals through faith, justice, and love.

Our goal is to develop and maintain a positive school climate that encourages students to develop Christ-like behaviors, to respect the dignity and freedom of all individuals, and to become successful self-managers. **To achieve this goal, the staff strives to infuse three basic principles into our daily routine:** the practice of respect, the cultivation of a positive school climate, and the use of practical and effective rules.

#### The Practice of Respect

We live our faith by:

- respecting others' right to learn
- respecting each others' right to teach
- respecting the safety of each person and property
- respecting and valuing the uniqueness of each person
- becoming effective self-managers
- becoming independent learners

#### Cultivating a Positive School Climate

Positive behavior and performance of students are recognized and reinforced both formally and informally throughout the school year. Recognition may include but is not limited to:

- having a special note sent home or phone call made
- receiving special recognition at a school assembly
- receiving award coupons/certificates
- receiving an award at eighth grade graduation

## 2021-2022 Family Handbook

### Use of Practical and Effective Rules

Teachers post and teach appropriate behavior within the classroom and within the school and church community.

Students are taught **Kelso's Choices** as a means to maintain appropriate behavior. Kelso's Choices are strategies students may use when dealing with "little" problems. These strategies are:

- go to another game,
- share and take turns,
- talk it out,
- walk away,
- ignore it,
- tell them to stop,
- apologize,
- make a deal,
- wait and cool off.

We expect students to be aware of the expectations of the various learning environments and their corresponding consequences. Since you, the parent, are the most important support system, you will normally be consulted should your child be involved in a serious or severe act or should your child's behavior change significantly.

St. Michael Parish School cannot guarantee that all students will observe all rules and act in a Christian manner at all times. However, our goal is to make all students accountable for their actions and to guide them always toward making the best possible choices.

### Conflict Resolution Procedures

The pastor of St. Michael Parish, in consultation with the principal of St. Michael Parish School, has the final recourse in all disciplinary measures and has the right to take into account an individual student's particular circumstances or needs when making a decision.

The principal, is available to assist students with conflict resolution.

#### When a child has a conflict, the resolution process is as follows:

1. Each child is allowed to relate his/her side without interruption.
2. The adult moderator paraphrases each side in order to clarify positions and checks for understanding and level of agreement.
3. The students and moderator together decide on a solution.
4. The students and moderator evaluate the behavior so that the students can prevent the situation from taking place in the future.
5. The students express reconciliation through an apology or a positive action.

Occasionally, there are times when a student's behavior choices may be inappropriate in relation to the school environment. When a student's behavior harms the St. Michael community or reputation and cannot be successfully corrected at the classroom level, the student becomes subject to any or all disciplinary steps as determined at the discretion of the principal or disciplinary designee.

## 2021-2022 Family Handbook

### Discipline steps may include:

1. The staff member will refer the student to the principal (or designee) along with a Disciplinary Referral Form. This form will indicate the student's name, date, and time of referral, the reason for the referral, and what action(s) the staff member has already taken.
2. The principal (or designee) will then gather as much information about the situation as possible before determining the appropriate placement of disciplinary and consequence levels (see Disciplinary Chart on next page.)
3. The parent will receive a copy of the Disciplinary Referral Form.
4. The parent will sign and return the form to the school by the date indicated on the form. There is also a space on the form for parent response.

The following are examples of inappropriate choices a student may make in his/her behavior and lists of possible consequences of those choices:

Also, providing another student with questions or answers from an exam that you have taken that the other student has not yet taken. Any sharing of examination notes must be approved by the teacher.

### Weapons Policy

The policy of the Archdiocese of Seattle and of St. Michael Parish School is that it is unlawful for persons, with the exception of law enforcement officers, to carry any firearm or dangerous weapon, as defined by RCW 9.41.250 and RCW 9.41.280 onto school premises, school provided transportation, or other facilities being used exclusively by the school.

## 2021-2022 Family Handbook

Any violation of this policy by a student shall result in expulsion for at least one year if a firearm is involved and may result in expulsion if another type of dangerous weapon is involved. The principal (or designee) may modify the expulsion on a case-by-case basis.

For further information, the complete Archdiocesan policy regarding weapons on school grounds or during school sponsored activities is available for reference in the school office.

### Search and Seizure

St. Michael Parish School reserves the right, with reasonable suspicion, to examine any student's personal possessions and will seize items not permitted on school grounds. This includes, but is not limited to, book bags, knapsacks, and desks.

### Anti Bullying Policy

Belief in the inherent dignity of the human person is the foundation of all Catholic Social Teaching. Based on our philosophy that St. Michael Catholic School has been established to provide an environment of faith, which brings all of life together within the grace and love of God, we have established the anti-bullying policy as set forth. All members of our community are committed to ensuring a safe and supportive environment which promotes personal growth and fosters positive self-esteem for all. We aim to maintain a setting in which everyone feels valued and respected and where individual differences are appreciated, understood and accepted. St. Michael Catholic School, views bullying, as unacceptable behavior, and it will not be tolerated.

We define bullying as an act that repeatedly hurts another individual. Is deliberate and sustained, is intended to isolate, hurt, or humiliate another individual and is unprovoked.

The goals of the St. Michael Parish School anti-bullying policy are:

## 2021-2022 Family Handbook

- Ensure that all students, staff and parents experience a safe Christian environment that is conducive to learning
- Teach and encourage all children to love Christ and one another focusing on virtuous behavior such as kindness and mercy
- To reinforce the principle of human dignity, remembering that we are all made in the image of God
- To raise awareness among students, staff and parents about bullying
- To actively counter bullying at St. Michael Parish School
- To provide strategies to resolve conflict and respect differences
- To create a climate where it is ok to talk about bullying and ask for help
- To develop social skills with an expectation of good behavior

The following steps will be taken when dealing with bullying incidents:

1. Isolated or initial incidents which do not constitute bullying will be handled by the teacher in charge at the time of the incident. Depending on the severity of the incident, the principal and/or parents may be notified. Disciplinary guidelines set forth in the school handbook will be followed.
2. Whenever possible, any incidents which may constitute bullying should be reported **immediately** to the teacher in charge at the time of the incident. The teacher in charge at the time of the incident will immediately deal with those involved in the incident.
3. In some cases, students may choose to report the incident to a different adult in the building, such as an instructional aide, a secretary or the principal. If so students are encouraged to report as soon as possible following the incident(s). The adult should report the incident to the child's classroom teacher or the principal.
4. The principal or teacher in charge should be made aware of any bullying incidents. Students engaging in bullying behavior will be disciplined according to the school discipline policy. Depending on severity and length of incident, parents may be notified.
5. If the bullying does not cease after the student has been disciplined, parents will be notified and other action will be taken according to the school discipline policy.
6. All reported incidents of bullying will be investigated by the classroom teacher or principal.

In addition to the above outlined steps, anti-bullying policy requires the following:

### **Staff members of St. Michael Catholic School will:**

- Remain alert to signs of bullying and act promptly and firmly against it according to the school's discipline policy.
- Report incidents of bullying to the principal or teacher in charge, who will determine if further disciplinary action should be taken, and/or if parents should be notified.
- Offer support and encouragement to students being bullied, including notifying parents, principal, and/or support staff as needed.
- Encourage all students to refrain from bullying behavior, and encourage reporting of any bullying behaviors they witness.

### **Parents of St. Michael Catholic School students will:**

- Report concerns of bullying behavior to their child's appropriate teacher as soon as possible following the incident(s). If concerns are not handled sufficiently at this level, a report should be made to the building principal or teacher in charge.

## 2021-2022 Family Handbook

- Support the school's anti-bullying policy and actively encourage their child to avoid bullying behavior.

### **Students of St. Michael Catholic School will:**

- Report incidents of bullying they witness to the teacher in charge at the time of the incident, or to another staff member as soon as possible following the incident.
- Whenever possible, stand up for the student being bullied, and refrain from joining in bullying behavior.
- Treat others with the respect and dignity that is expected of any Catholic school student.

## **OUTDOOR RECESS**

All students are expected to be courteous, cooperative, and respectful at all times. Christian behavior and prompt, courteous cooperation must guide how we treat each other - adults, classmates, teachers, supervisors – are to respect one another and be responsible for each other's safety. The following are very important to remember:

### **Play in approved areas:**

- paved & wood-chipped playground areas.
- fenced in area of the field.
- the sidewalk near the parish ministries building.
- lower parking lot area.

### **Stay away from unapproved areas:**

- the field in wet weather or when being mowed.
- the bike racks.
- the outdoor ledge of the gym door.
- the front door area of the school.
- the classroom windows and garden areas around the playground.

### **Safe and cooperative behavior prohibits students to:**

- throw sand, wood chips, rocks, snowballs, etc.
- play rough games with younger or smaller students.
- interfere with a game in progress.
- wrestle, push, tackle, kick, hit, swear, spit, or use any other rough or inappropriate behaviors.

### **Use playground equipment safely and appropriately:**

- one person on the swing or going down the slide at a time; no climbing or jumping off the swing or slide.
- take three-minute turns on the swings and bars.
- no climbing or hanging from the swing crossbars, the tether poles, or the basketball hoops
- jump ropes are for jump-rope games; never tie jump ropes around people or objects
- play tag or chase games in designated areas only; play organized games with grade level groups.
- share the playground equipment; play games by the rules.
- use the basketball hoop appropriate to one's size. (lowest hoop is for K-1 only).

### **It is unacceptable for any student to:**

- argue with the supervisors or ignore their instructions.
- enter the building without a hall pass.
- bring toys, ball games, electronics, or playground equipment from home.
- bring umbrellas on the playground.

## 2021-2022 Family Handbook

### **At the end of recess:**

- put balls, ropes, etc. away when finished playing;
- if you brought equipment out, then you are to take it back n.
- stop playing and line up when you hear the bell ring – without any rough-house, pushing, shoving, or taking cuts in the line.
- walk quietly back to class.

Students will play outside most school days. Please make sure they arrive at school with the proper attire: coats, raincoats, boots, mittens or gloves, and the like. Students are inside from recess on only the most inclement days.

### **Indoor Recess**

#### **When indoor recess is in the gym, students are expected to:**

- Sit and talk with friends in the bleachers or on the gym floor; no running or tag anywhere in the gym.
- Stay completely away from the stage area, the volleyball standards, the locker rooms, and out from under the bleachers.
- Ask the adult supervisor for a hall pass in order to leave the play area.

#### **Students are not allowed to:**

- enter classrooms before school without permission.
- play in the drinking fountain, hallway or bathroom.

### **Suspension and Expulsion**

In the event the student reaches **Out of School Suspension** or **Expulsion** steps of the disciplinary consequences, these procedures will be followed:

#### **Out of School Suspension** (temporary removal from school):

1. A student-staff-principal (and/or designee) conference will be held. At this time, each party will have the opportunity to describe what occurred and what actions were taken.
2. The parent of the student will be notified of the situation in a timely manner. At that time, the parent may request a meeting with the principal (and/or designee). Written notice stating the reason(s) for the suspension of the student will be given to the student to take home. In some cases, the student may be removed from his/her regular classroom for the remainder of the day.

#### **Expulsion** (permanent removal from school):

1. A student-staff-principal (and/or designee) meeting will be held. At this time, each party will have the opportunity to describe what occurred and what actions were taken.
2. The parent of the student will be notified of the situation in a timely manner. At this time, the parent may request a meeting with the principal and/or designee. Written notice stating the reason(s) for the expulsion of the student will be given to the student.
3. If it appears from the circumstances that an expulsion may be in order, the student will be suspended from school for a minimum of two days while the situation is investigated further. Timeliness and speed will be a priority.
4. The principal and pastor (and/or designee) shall meet to reach a final decision as soon as possible after the meeting noted in (2).

## 2021-2022 Family Handbook

5. The principal will notify the parents of the decision reached.
6. A letter will be sent to the parents to indicate in writing the circumstance(s) leading to the problem and the decision reached regarding the expulsion. One copy of this letter shall be presented to the pastor. A second copy will be kept on file in the school office.

### **Parental Support of School Policies**

Unfortunately, there are occasions when the behavior of parents renders any meaningful home/school relationship impossible. An example might be a parent who consistently refuses to cooperate with school policies. Parental cooperation is necessary for the welfare of students. If, in the opinion of the administration, parent behavior seriously interferes with the teaching/learning process, St. Michael Parish School may require parents to withdraw their children and sever relationships with the school. This type of action would be very drastic and undertaken only after other attempts at conflict resolution.

### **Right of Appeal**

Parents may appeal a suspension or expulsion of their son or daughter. A written appeal should be made first to the principal in the case of the suspension or expulsion. In the case of the suspension or expulsion being assigned by the principal, the appeal should be made directly to the pastor.

### **ST. MICHAEL PARISH SCHOOL DRESS CODE**

Parents of students participating in the program will receive a copy of dates and times for scheduled games, both home and away. Parents are also asked to serve as drivers to and from away games. (See requirements for parent drivers in this handbook.)

We request that parents pick up their students promptly after all extra-curricular activities.

### **Athletic Physicals/Health Insurance**

Every two years, students are required to have an athletic physical. Proof of this physical must be presented to the coach at the first practice. In addition, all student athletes must be covered by a health insurance plan. Individual, reasonably priced, student health insurance must be purchased through the school office for those students not already covered by a health insurance plan. Application forms are sent home each fall to all students, whether or not they are involved in school athletics, and may be purchased for any student, K-8

### **Academic Policy Regarding Participation**

St. Michael Parish School encourages students to be responsible for their assignments and activities. We realize that making the choice to be involved in extra-curricular activities is a large commitment. At the same time, we realize that students must be accountable for their schoolwork.

As a result, we have developed the following plan to help students meet their academic responsibilities while still being able to participate in chosen extra-curricular activities.

- Each week, teachers will notify coaches of students whose work is not current enough to participate in extra-curricular activities or who have a **C- or below** in any subject.
- After all assignments have been handed in and all grades are a **C or above**, students may resume participation in St. Michael extra-curricular activities.
- The principal has final discretion in these matters. Factors he/she may consider are effort and improvement.

### **Extra Curricular Commitment**

Students who receive a Disciplinary Referral Form while a member of an extra-curricular team, will automatically be benched for the next game, match, meet, etc. Should the student earn repeated disciplinary referrals, or a **Level 3 offense** during the same sports season, she/he may be declared ineligible to remain a member of the team

## **GENERAL INFORMATION**

### **Care of School Property**

The care we give to our school and school property is a reflection of our school's reputation and school spirit. For this reason, all students should use carefully whatever school property is assigned to them. Fines equal to the repair or replacement costs are imposed for the loss or damage to school property from carelessness, negligence, or disregard for school regulations. Accidental damage to school property should be reimbursed as part of a student's social responsibility.

Books (library or text) must be taken home in a waterproof backpack or book bag. Plastic or paper bags are permissible if a book bag is not available. Hardbound books that are taken home are to be covered at all times.

### **Child Abuse/Neglect Reporting**

Reporting of suspected child abuse or neglect is mandatory within 48 hours. School personnel, by law, are required to

## 2021-2022 Family Handbook

report suspected child abuse either to Child Protective Services or the Olympia Police Department.

This means that if any adult volunteer responsible for children at St. Michael Parish School **hears** or **observes** or **suspects** that a child is a victim of child abuse, that adult is required by law to report the suspected abuse to the local law enforcement agency. School personnel have no choice whether or not to report a suspected case of child abuse.

Child Protective Services or the police may visit the school, take information, and then determine what action to take. This could mean that the children would be taken into custody for their own protection. School personnel will make every effort to protect the confidentiality of this information.

### Early Dismissal Days Study Hall

Study hall for our students is provided free of charge on the Mondays with 2:15 dismissal. This study hall is from 2:15-3:00 P.M. as a convenience for parents because of our early dismissal program. Parents simply need to notify the school if their child will participate. **All students (irregardless of age) still on the school grounds after 2:30 P.M. will be directed to the program.**

#### Rules for study hall are as follows:

1. Parent must fill out a registration form. (This may be obtained in the school office.)
2. Children must meet in the designated classroom and check in with the supervisor by 2:30.
3. Children are to remain in the designated classroom until they are dismissed at 3:00 to the church parking lot. (On some days, students may be supervised on the playground).
4. No food, drink, candy, or gum are allowed during after-school study hall. All school rules and regulations apply during this time.
5. Parents will be asked to find an alternative location for their child(ren) after school if their child abuses this privilege.

There will be no study hall provided on the 1/2 day early dismissal Fridays. All children should be picked up within 15 minutes of the 12:00 dismissal time.

### Emergency Closure

If the Olympia School District announces an emergency closure or late start due to weather, St. Michael Parish School will also close or start late. In case of any other emergency closure, we will call you. Remember that our website is always a good source of information.

When a late start or closure of school is necessary due to inclement weather, television stations (**KING 5** and **KOMO 4**) will broadcast information. The closure information will also be posted on our Facebook page and sent out through email.

- **In the case of school closure:** All activities for the day will be canceled, including afternoon and evening programs (including programs for adults) and/or sporting events.
- **In the event of a late start:** All before-school activities are canceled. Students are not to be dropped off before the announced starting time.

### Field Trip Policy

Archdiocesan approved field trip permission forms are sent home for your signature when an activity (such as a field trip or athletic event) is planned that may take your child off school grounds. The form must be completed, signed, and returned to school prior to the scheduled departure for the activity. A note from home, even though signed by the parent, does not constitute permission for your child to participate in the activity. Additionally, permission may never be granted

## 2021-2022 Family Handbook

over the phone or by someone who does not have legal custodial care of the student. This is archdiocesan policy.

Students should understand that field trips are a privilege, not a right, and are to act accordingly. Only those students who will benefit from a given off-campus activity and whose behavior reflects the spirit of St. Michael Catholic School will be invited to participate. **Since chaperones must focus their attention on the school children they are supervising, they cannot bring siblings or guests.**

Each student riding in a vehicle on a school-sponsored trip must be in compliance with all Washington State traffic laws regarding personal restraint devices (seat belts and/or car seats.) When volunteering for an outing, all drivers must provide information verifying that they have \$100,00/\$300,000 liability insurance coverage per occurrence. This information need be given only one time per school year unless you change insurance companies, vehicles, or coverage.

### **School Lunch Information**

Hot lunch will be offered on Pizza Wednesdays when on-campus school resumes. Students are to bring their lunches from home on the other days of the week. Wednesday lunches cost \$4.00.

Your student has an individual account with our lunch program that is set up automatically once he/she is enrolled. Families with more than one child at the school (K-8) will also have a family account set up. This allows every student/family the opportunity to prepay for meals. Parents may deposit money for the day, week, month or for as long as you wish.

To make a deposit to your child/ren's lunch account, you may send a check made to payable to St. Michael School or cash to your child's teacher, the school office or the Lunch Program Manager. Checks are strongly encouraged and serve as a receipt. Please note on the check memo line that the payment is for your lunch account and include the account number. Credit/debit cards are not accepted.

### **Library Use**

St. Michael Parish School has a comprehensive and growing collection of age-appropriate fiction and nonfiction books, videos, magazines, and other related resources. We have a very large collection of Accelerated Reader books and full access to all Accelerated Reader tests as they are created.

Reading is a priority at St. Michael Parish School, and we encourage students in all grades to make full use of the school library. Students should be aware that there are times during the day that the library is also used as a formal classroom; thus, use may have to be restricted. They should check with both their classroom teacher and the librarian when wishing to use the library. Courteous, responsible behavior is expected at all times.

**Birthday books:** Families who make a \$5.00 donation to the library may choose a book to be donated to the library in their child's name. (Checks are to be made out to "St. Michael Parish School.") Birthday books are new books that receive a special bookplate with the birthday person's name. Birthday books are normally announced at *Monday Morning Opening: We Begin With Faith*.

**Circulation:** The St. Michael Parish School library has over 21,000 books and other items available for student use. Any exceptions to the rules below will be made by the librarian on a case-by-case basis.

- All circulating books have a loan period of two weeks and may be renewed unless another student or teacher is waiting for the item(s).
- **Kindergartners** may borrow one book at a time.

## 2021-2022 Family Handbook

- **Students in grades 1-4** may borrow two books at a time. They may borrow additional books as needed for reports, research, or other projects at the librarian's discretion
- **Students in grades 5-8** may borrow as many books as they wish
- **Parents** may borrow on the same basis as students in grades 5-8.

**Lost & Damaged books:** Students will be held financially responsible for books damaged while checked out to them. Families will be billed up to the cost of the book. Report cards are retained until damage fees are paid.

**Overdues:** Students are expected to return library materials on a timely basis so others will have the opportunity to use them. However, should a book fall into the overdue category, the following steps will be taken:

1. Overdue notices are sent home weekly.
2. If a student has an overdue book that has already been renewed, he/she will not be allowed to check out additional books until the overdue book is returned. Once a month, we will send home a written notice and bill to let families know which books are overdue. When the overdue books are either returned or paid for, the student may check out additional books.
3. The bill for lost books will include the cost of the book, which is refundable. The money will be returned if the book is later found. Report cards will be retained and school records will not be cleared for students who have received bills and neither returned the materials nor paid the bills.
4. Please see the librarian with any questions about overdues.

**Do you love books?** Volunteer assistance is always welcome in the school library. Tasks include working with students, shelving books, preparing books for circulation, assisting with the fall and spring books fairs -- and more! Contact our librarian if you'd like to help!

### **Safety Patrol**

As part of their service to St. Michael Parish School, our fifth graders serve as the safety patrol. They are trained so as to assure the safety of our student as they arrive at, and depart from, school. All children and adults are expected to obey reasonable safety patrol directions.

### **School Telephone/Electronic Devices**

School telephones are generally not available for student use. Permission may be given in an emergency or extraordinary situation (for example, the cancellation of a sports practice) at the discretion of the office staff or teacher. Student cell phones may only be used under the direct supervision of an adult staff member of St. Michael Parish School. Additional policies are explained in the following section. Digital cameras, and other personal electronic devices are not allowed on the school campus during school hours or during school sponsored activities.

### **Cell Phone Use by Students**

The following guidelines explain cell phone usage at St. Michael Parish School.

- Cell phones will **not** be allowed to be used during school hours; from arrival time (8:00am), to the end of the regular school day (2:15pm on Monday, 3:00pm on Tuesday-Thursday)
- Cell phones will be required to be confined to the students' backpack during the school day.
- Cell phones must be shut off during school hours; a cell phone causing a classroom distraction (ringing, alarms, etc.) will result in the cell phone being taken away from the student and other possible disciplinary consequences.
- Phones taken away from students during the regular school day will be taken to the school office where they can be picked up after school hours; **cell phones will be returned to the parent/guardian only.**
- Any student text-messaging or using the phone during a test will receive 0% on that test

## 2021-2022 Family Handbook

If students consistently disregard school guidelines they will be subject to additional disciplinary consequences, including suspension or expulsion.

### MEDICAL POLICIES

#### Health Plan

According to state law and archdiocesan policy, in the case of a student with a life-threatening (or potentially life-threatening) illness or condition, St. Michael Parish School must have a health plan on file and appropriate medications at the school prior to the student's first day of attendance.

#### Illness at School

Students who become ill or injured at school are cared for temporarily in the school office by office staff or by the school nurse, if she is present. If it is determined that the student should go home, parents or emergency contacts will be notified. It is very important for each family to complete the school's blue emergency/earthquake/field trip card(s) with current numbers to call (including cell phone numbers) and their desired procedures for emergency care.

Please update emergency card information whenever changes occur.

#### Immunization

Washington immunization law requires that all students attending schools must provide proof of immunization or present a medical exemption or a personal/religious exemption signed by a physician **on or before entering school**. Failure to comply with the immunization requirements will result in exclusion from school by order of the State Board of Health. Immunization records are updated at the beginning of every school year. For current requirements, check with the St. Michael Parish School office or the WA State Department of Health.

#### Lice Policy

St. Michael Parish School policy regarding head lice will follow current practices as outlined by health and nursing professionals, including the advice of St. Michael's school nurse.

#### Medications

Oral medicine (both prescription and non-prescription) may be administered to students by designated school personnel only from the original, labeled container. The medication law addresses only oral medications. Therefore, eye drops, ear drops, and creams may not be administered at school by unlicensed personnel.

Parents are required to complete a form that indicates the time(s) and dates(s) during which the medication is to be dispensed. Current, written, and unexpired instructions must be included on the form, along with the licensed physician's (MD or DO), nurse practitioner's, or dentist's signature. (Washington State School law does not permit office nurses' signatures.) A copy of the form can be found in the appendix of this handbook, on the St. Michael Parish School website (<http://stmikesolympia.org>), or from your medical physician.

Any dosage change must be accompanied by a new medication form, again signed by the physician, nurse practitioner, or dentist.

All medication must be brought to the school office by an adult. No medication is allowed to be carried to school by a student, **except by students authorized to carry inhalers and/or Epi-pens.**

### Return to School After an Illness

A child should **NOT** return to school after an illness unless he/she is well enough to go outside at recess time. Only on rare occasions, an exception to this policy may be granted. In these cases, **a note must be sent by the physician** and permission must be received from the office because the student will come to the office during the recess periods. In no case will the child be unsupervised. Also, if your child has been running a fever, please keep the child home until the temperature has been normal for 24 hours.

### School Nurse

The St. Michael Parish School nurse is available on a part-time basis. During the year, she conducts vision, hearing, and weight and height screenings. She keeps each student's cumulative health record up-to-date and documents compliance with immunization laws. She is available for health conferences and health education for staff and students. She provides skilled, short-term emergency care, safe administration of medication, and case management planning with parents for short-term and/or complex health problems.

In addition to having a part-time school nurse, all St. Michael Parish School personnel have current First Aid/CPR certification.

## FINANCIAL POLICIES

### Active Parishioner of St. Michael Parish & Parish Grant to St. Michael Parish School

Our parish grant to the school represents the largest income source to the school, other than tuition. The commitment of school parents to Sacrificial Giving determines the amount of the annual parish grant as explained in the matching formula below.

**Matching formula:** For every \$1.00 given during the calendar year by a St. Michael Parish School family to the regular Sunday offertory collection at St. Michael Parish (Sacrificial Giving), the parish will give its school \$1.90. There is no limit to the amount of gifts the parish will match until the grant reaches \$302,648. At that point, all further donations are matched at the rate of 50%

St. Michael Parish uses four factors to determine whether or not a parish family is a partner in the mission and therefore eligible to receive a reduced tuition rate. **These criteria are defined in detail in this handbook.**

### Financial Assistance

St. Michael financial aid is funded by interest and dividends from the school endowment. The amount of money available for financial assistance each year varies. Therefore, St. Michael tuition assistance grants vary from year to year in value and number.

In order to be considered for St. Michael Parish School financial aid, a family must first apply for an Archdiocesan tuition assistance grant. These grants are based on family size and income. This application requires tax information from the previous year. Forms without income tax information are not considered by the Archdiocese. Archdiocesan tuition assistance grants are announced in early May. Families who apply are notified directly by the Archdiocese of Seattle as to whether or not they have received a tuition assistance grant.

St. Michael financial aid is granted by late spring. Among factors considered are family size and income (as verified by tax information for the previous year) and level of participation in the life of St. Michael Parish.

**Tuition Notices**

Tuition notices are sent to parents at the end of each month (September to June) via the Weekly Communication Envelope. If you have a question about your tuition statement, contact the school office.

**Tuition Payments**

Recognizing that payment of school tuition is a serious responsibility of each family and that the need to maintain a continuous and consistent cash flow is essential to the well-managed school, the school commission has recommended, and the pastor has approved, the following policy regarding tuition payment:

**Tuition is due by the tenth (10<sup>th</sup> or 15<sup>th</sup>) day of each month. Should a situation arise that a payment will be late or cannot be made, it is the parent’s responsibility to notify the principal as soon as possible.** If no contact is made by the parent, the following procedure will be initiated:

1. If at the end of **thirty (30) days** the tuition account is not current, the parent will be notified by the principal of the past due amount. A late fee of \$25 will be added to the total tuition balance, and additional late fees of \$25 each month will continue to be added until the account is current.
2. If at the end of **sixty (60) days** the past due condition continues to exist, the parent will be notified in writing by the principal that the account must be brought current or that a satisfactory payment arrangement must be made with the principal.
3. If at the end of **ninety (90) days** the account has not been brought current or if satisfactory arrangements have not been made with the principal, school services to the family will be immediately discontinued.
4. Re-enrollment in the current year or enrollment for the following year will not be accepted until tuition and fees are paid in full.

All tuition will be paid online through the FACTS tuition management system.

**WHEN SENDING MONEY TO SCHOOL**

- ✓ Seal it in an envelope;
- ✓ On the front of the envelope, write your child’s name, grade, and teacher, the amount of money enclosed, and the purpose of the money.

**USE OF SCHOOL GROUNDS**

**Drop Off and Pick Up**

When dropping off and/or picking up your children, please observe the following safety rules:

1. Students are to be dropped off and picked up in the church parking lot at regular school arrival and dismissal times. Cars must be **PARKED** in the indicated slots when dropping off or picking up students. Students are not to enter or leave cars at the church’s sidewalk curb.
2. The “SAFE” zone is on the sidewalk next to the curbside pick-up lane, where children may cross from the sidewalk to the parking lot. We encourage you to get out of your **PARKED** car and escort your child to and from the “SAFE” zone.
3. Students not picked up by 3:15 will be taken back to the school office.

### Visitors to the School

Students are permitted, at times, to have guests under the following conditions:

- A formal, written parental request must be presented to the office no less than two days in advance.
- Teachers must be willing to accept a guest and signify their cooperation by signing the request after it's presented to the office.
- There is a limit of two guests in the building on any given day, with the exception of a pre-determined visitors' day.
- The reason for the visit must seem reasonable in the judgment of the principal.

### RIGHT OF SCHOOL AND PRINCIPAL TO AMEND THE HANDBOOK

The principal reserves the right to amend this handbook for just cause. Should such an occasion arise, parents will be notified of the changes and reasons for the changes. Note: **Not all policies of St. Michael Catholic School are found in this handbook.**

## 2021-2022 Family Handbook

### Virtual Learning Guidance

If all school buildings in the state are closed by the state superintendent, governor, or health department, then we will be prepared to transition back into the virtual learning. When planning for digital and virtual learning we will:

1. Keep students at the center with intentional outreach to continue building relationships and maintain connections that help students feel safe and valued. We will also:
  - plan for student learning
  - develop a weekly plan and schedule, and
  - maintain regular contact with families.
2. Plan and deliver content in multiple ways, so all students can access learning through live or recorded online instruction, pencil/paper lessons, and digital applications.
3. Manage and monitor student learning and plan what's next for learning by:
  - assessing student learning, making instructional adjustments and
  - continuing to engage families.

#### To provide quality digital and virtual instruction Staff will:

- Communicate clearly and meaningfully with families and students before using virtual sites within the classroom so that families understand what, if any, information regarding their children may be available on the internet.
- Give parents access to everything provided to their children – including how to access the platform(s) or site(s) – and give them the opportunity to be copied on all materials sent to their children via electronic transmission. (While parents should be provided with the same material as their children, it does not have to be via the same technology that is, if children receive information via ZOOM, parents can receive it in a printed form or via email).
- Inform parents of how digital learning is being used to instruct and communicate with their children.
- Always use common sense and professional judgment when working with or contacting students through digital platforms or websites.
- Communications must be age-appropriate and related directly to a student's education.
- Provide secure login and password sites available only to students and the students' parents for all instruction and learning related activities. Students should sign in to sites and log in as a participant.
- Recognize the difference between being “friendly” and being “friends” with children and youth. Young people to whom we minister are not our peers and appropriate ministerial boundaries must be maintained online at all times.
- Save copies of lesson plans, assignments, conversations, videos, lesson recordings or photos whenever possible.
- Provide the same learning outcomes, quality, and rigor as face-to-face instruction and expectations.

## **2021-2022 Family Handbook**

### **Staff Must Not:**

- Knowingly communicate with or instruct a minor via any digital platform that has been restricted by the child's parent or guardian.
- Provide their own personal social media pages, sites or "friend" any minor with whom they minister to/work with in a school setting.
- Share publicly any identifying recordings, photos or videos of minors.

### **Staff Expectations During Virtual Instruction**

- Teachers should be present during the duration of the lessons and have an awareness of what is going on with students, meaning their level of engagement and activity, both in class and students connected virtually.
- Teachers are responsible for establishing the course learning objectives and the course curriculum, assessing the learning outcomes, and providing timely responses to students, and submitting final grades.
- Teachers should provide assessment of student learning and maintain evidence of learning.
- The principal should supervise teachers during online instruction by popping in on the online instruction and monitoring curriculum.
- Any indication of a violation of the safe environment of a student who is logged on to synchronous learning class must be reported immediately. If there is any question as to the validity of the situation warranting reporting, consultation with school administration should occur immediately in order to determine appropriate action.

### **Student Expectations During Virtual Instruction**

Each student understands his/her parents have made the choice for them to attend our Catholic school out of their love and concern for them. In addition, the parent has agreed to the expectations for participating in online instruction.

### **Students will adhere to the following guidelines:**

- Behave in a respectful manner toward all school and parish personnel, volunteers, other students and visitors.
- Respect all students and treat each one with care regardless of race, gender, or other differences.
- Obey all school rules and website platform rules.
- Respect school property and the personal property of other students.
- Display proper manners and show common courtesy at all times.
- Assume responsibility for all their actions and not make excuses.
- Always do their classwork and homework without excuses or disrespect.
- Be present for class, be on time, ready to learn, and give their best effort
- Held to the same academic integrity policies as face-to-face students.

## **2021-2022 Family Handbook**

### **Parent Expectations**

St. Michael Parish School encourages parents to participate in the education of their student when appropriate, but requests that parents act responsibly and respectfully at all times, understanding that their conduct not only reflects on the school community, but will be a model for our students as well.

#### **Parents will adhere to the following guidelines:**

- Parents will be asked to sign a release form for students when teachers set up online learning instruction and activities for classroom use.
- Parents will not use classroom digital sites or devices for any illegal activity, including violation of data privacy laws.
- Parents should not distribute any information that might be deemed personal about other students participating in the social media project.
- Parents should not upload or include any information that does not also meet the student guidelines above.
